Mayor Jack Longino Building to be Dedicated January 16th In College Park *College Park Housing Authority Names Mid-Level Hi-Rise for Mayor*

College Park, GA/Friday, January 08, 2010 – The College Park Housing Authority will dedicate the Jack P. Longino Senior Complex on Saturday, January 16th at 10:00AM. Nearly 300 guests are expected to attend the dedication ceremony, which will take place at 1940 Princeton Avenue in College Park.

Jack Patterson Longino was born and raised in College Park, and has served as Mayor since 1996. Prior to being elected Mayor, Longino served as Councilman of Ward I. The native son represents the third-generation of Longinos, including his grandfather George F. Longino, who also served as Mayor of College Park (1914 – 1918).

The three story senior living facility overlooks a 2800 square foot atrium centrally located on the main floor. The development sits on 2.5 acres, and has been redeveloped to include a pristine landscape design with new plantings, grassing and trees.

Under Mayor Longino's watch, the city of College Park redefined itself by placing a new emphasis on development projects. The four-term mayor has seen many changes in College Park, a city that touts itself as a world-class business and hospitality center, home to the busiest airport in the world.

Longino is married to Gloria Bruce Longino. He has two daughters; Jessie Harris and Whitney Harris, and two grand-daughters; Brilee and Kaylee.

This is the second of two new mid-level seniors' facilities built by the College Park housing authority. In September of 2009, the Rhunette R. Lindsay Senior Living Complex was dedicated. Lindsay is a 17-year board member.
